EDUCATION

1996-2002 Ph.D. Department of Philosophy, Stanford University, USA. Dissertation on theoretical ethics.
1994-1996 M.Litt. Department of Philosophy, University of Bristol, UK. By research in ethics and genetics.
1993-1994 M.A. in Applied Ethics, *with distinction*. Department of Philosophy, University of Hull, UK.
Concentration in medical ethics.
1985-1990 B.V.Sc. School of Veterinary Science, University of Bristol, UK.

EMPLOYMENT

2003-Present Assistant Professor, Department of Philosophy. University of Delaware: Newark, DE.
2006 (Fall) Visiting Scholar, Center for Bioethics. University of Pennsylvania: Philadelphia, PA.
2003 Research Assistant, Rational Therapeutics for Children project. Institute of Medicine, Washington DC.
2002-2004 Greenwall Fellow in Bioethics and Health Policy. Johns Hopkins University, Berman Bioethics Institute: Baltimore, MD.
2001-2002 Acting Assistant Professor, Department of Philosophy. Stanford University: Stanford, CA.
1990-1993 Veterinary Surgeon (mixed general practice) in Chipping Norton and Bradford, UK.

ACADEMIC AWARDS, GRANTS AND FELLOWSHIPS

2010 Co PI on RAISE III. Funded by NSF-EPSCoR.
2009-2010 Co PI on RAISE II. Funded by UD innovation award.
2009 SEPP award for student research assistant on 'Origin of Species Notions' project.
2008 SEPP grant for integrated research plan on ethics of science and technology.
2007-2009 Co PI on "Research & Integrity in Science and Engineering". NSF funded project \$99,800.
2007 Transformational Grant for summer work with undergraduate research fellow.
2007 Course development award under NSF-EPSCoR RII grant.
2002-2004 Greenwall Fellowship in Bioethics and Health Policy.
2000-2001 Mellon Dissertation Fellowship.
1996-2000 Stanford University Fellowship.
1996-2000 Mellon Summer Fellowship.
1996 Kennedy Memorial Scholarship (declined).
1995-1996 British Academy Studentship (awarded by national competition).
1994-1995 University of Bristol Research Scholarship.

TEACHING

Selected Courses (Department of Philosophy, University of Delaware unless otherwise noted):

Ongoing Individual advising duties for philosophy majors. Regular independent study supervision.
advisement Faculty advisor to the Medical Humanities Minor.
2008-present Research Ethics. Class for science & engineering grad students as part of innovative research ethics education initiative. Funded by NSF in 2008, UD and EPSCoR subsequently.
2004-present Medical Ethics.
2004-present Ethical Issues in Healthcare.
2005-present Killing & Letting Die. (First taught for Stanford Philosophy Department, 2002.)
2008 Duties to Future People. Seminar for advanced philosophy majors. (First taught for Stanford Philosophy Department, 2001.)
2006 & 2010 Contemporary Moral Problems.
2006 Ethics.
2005-2009 Genetics and Responsibility. Advanced philosophy seminar. (First taught for Johns Hopkins Philosophy Department, 2002.)

- 2003 & 2004 Introduction to Bioethics.
 2000 & 2001 Medical Ethics and Consequences. Introductory class. Stanford University summer program.
 1999 The Genetics of Human Identity. Seminar for advanced philosophy majors. Stanford University.

SCHOLARSHIP

Dissertations and Publications:

- 2016 “Roberts on Depletion: How Much Better Can We Do for Future People?” *Utilitas* 28(1): 108-118.
- 2013 “Saving a Life but Losing the Patient.” *Theoretical Medicine and Bioethics* 34(6): 479-498.
- 2011 Greene, Mark and Augello, Steven. “Everworse: What's Wrong with Selecting for Disability?” *Public Affairs Quarterly* 25(2): 131-140.
- 2011 “On the Origin of Species Notions and Their Ethical Limitations.” *The Oxford Handbook of Animal Ethics*. Beauchamp, Tom L and Frey, R. G. New York, Oxford University Press: 577-602.
- 2010 “‘Chocolate’ and Other Kind Terms: Implications for Semantic Externalism.” *The Philosophical Quarterly*, Online First and forthcoming in the print edition.
- 2009 “Choosing Future People: Reproductive Technologies and Identity.” Chapter 27 in Ravitsky, Fiester, & Caplan (Eds) Penn Center Guide to Bioethics, Springer.
- 2008 “The Indeterminacy of Loss”, *Ethics* 118: 633-658.
- 2008 M. Greene and S.M. Smith, “Consenting to uncertainty: challenges for informed consent to disease screening—a case study”, *Theoretical Medicine and Bioethics* 29: 371-386.
- 2006 “To Restore Faith and Trust: Justice and Biological Access to Cellular Therapies.” *Hastings Center Report* 36(1): 57-63.
- 2005 Mark Greene et al, ‘Moral Issues of Human – Non-Human Primate Neural Grafting’, *Science* 309: 385-386.
- 2003 Faden, R et al, ‘Public Stem Cell Banks: Considerations of Justice in Stem Cell Research and Therapy.’ *Hastings Center Report* 33(6):13-27.
- 2003 Dawson, L et al, ‘Safety Issues in Cell-Based Intervention Trials’. *Fertility and Sterility* 80(5): 1077-1085.
- 2002 ‘New Dog: Old Tricks’. *Journal of Applied Animal Welfare Science* 5(3): 239-242. (On cloning.)
- 2002 *Ethics and Modality*. Ph.D. dissertation, Stanford University: Stanford, CA.
- 1996 ‘Not Guilty, by Reason of Genetic Determinism’. Chapter 5 in *Punishment, Excuses and Moral Development*, Henry Tam ed. Avebury: Aldershot. Pp.95-112. (Published as Mark Philpott.)
- 1996 *The Genetics of Identity*. M.Litt. dissertation: University of Bristol, UK.
- 1994 *Metaphysics Ethics and Germ-Line Genetic Manipulation*. M.A. dissertation: University of Hull, UK.

Selected Conference and Other Presentations:

- 2017 Malis Lecture (endowed lecture series). University of the Sciences, Philadelphia, PA. “Making Minds: Human Brain Cells in Non-Human Brains.”
- 2017 UNESCO World Philosophy Day presentation. University of Delaware, Newark, DE. “Making Minds: Human Brain Cells in Non-Human Brains.”
- 2013 Dept. Colloquium. University of Delaware, Newark, DE. “Present Accountability for Future Harms: Acting Across Nonidentity.”
- 2013 Dept. Colloquium. The College of New Jersey, Trenton, NJ. “Present Accountability for Future Harms: Acting Across Nonidentity.”
- 2012 7th International Conference in Interpretive Policy Analysis. Tilburg University, Tilburg, Netherlands. “Present Accountability for Future Harms: Acting Across Nonidentity.”
- 2011 International Conference on Nanomaterials and Nanoethics: Lahore, Pakistan. Invited speaker, “Informed Consent and the Uncertain Risks of Nanotechnology.”
- 2011 Third International Conference on Nanotechnology: Dubai, UAE. Invited speaker, “Informed Consent and the Uncertain Risks of Nanotechnology.”
- 2011 Pacific APA, San Diego. “Teaching Research Ethics Across Disciplines.”
- 2010 Deutscher Ethikrat: Berlin, Germany. Invited participation in meeting of the human / non-human mixtures working group of the Ethikrat.

- 2010 Deutscher Ethikrat: Berlin, Germany. Invited presentation to public hearing on human / non-human mixtures.
- 2009 American Society for Bioethics and Humanities: Washington, DC. "Saving a Life, Losing the Patient."
- 2008 American Philosophical Association Pacific Division Meeting. Comment on paper.
- 2007 Greenwall Conference: Baltimore, MD. "Research and Integrity in Science and Engineering."
- 2007 Joint Session of the Mind Association and the Aristotelian Society: Bristol, UK. " 'Harming in Context' in Context."
- 2007 4th International Conference on Ethical Issues in Biomedical Engineering: Brooklyn, NY. "Genetic Exceptionalism and the Metaphor of the Plan."
- 2007 5th Annual Hawaii International Conference on Arts & Humanities: Honolulu, HI. "Me, My Genes, and I."
- 2005 Greenwall Conference: Baltimore, MD. "Human to Non-Human Primate Neural Grafting."
- 2004 American Society for Bioethics and Humanities: Philadelphia, PA. "Cord Blood Banking in a Diverse Society."
- 2004 International Society for Stem Cell Research Annual Meeting: Boston, MA. "Moral Status and the Mind: Implications of Neural Chimerism between Human and Non-Human Primates."
- 2003 Lecture for talented youth program, Johns Hopkins.
- 2003 Greenwall Foundation Retreat: Baltimore, MD. "Me, My Genes, and I."
- 2003 Bach Lunch Series presentation, University of Delaware.
- 2001 American Philosophical Association Pacific Division Meeting: San Francisco, CA. "The Semantics of 'Chocolate' and Other Natural Kind Terms."
- 2000 Berkeley-Stanford Conference: Berkeley, CA. "Why Primitive Compulsion is Not Compelling."
- 1998 Berkeley-Stanford Conference: Berkeley, CA. "Guilty By Reason of Insanity."
- 1997 Berkeley-Stanford Graduate Conference: Berkeley, CA. "Necessity of Origin."
- 1996 Second European Congress on Analytic Philosophy: University of Leeds, UK. "Why Buy Necessity of Origin When You Can Pay Less for Something that Works?"
- 1995 Society for Applied Philosophy Conference: Sussex, UK. "Not Guilty, by Reason of Genetic Determinism."

Other Scholarly Activities:

- 2013-present Participation in Wharton Ethics Reading Group.
- 2005-2010 Participation in Philamore Ethics Reading Group.
- 2004-present Participation in departmental colloquia and other academic events.
- 2010 Attend PA Medical Humanities Consortium conference.
- 2008 Annual Meeting of the Association of Practical and Professional Ethics: San Antonio, TX. Chair 'Author Meets Critics' session (author, David Resnik).
- 2007 Attend Eastern APA with UD philosophy undergrads.
- 2006 Manage BeLPT project at U Penn. Oversee research and writing, funding applications etc. Resulted in the 'Consenting to Uncertainty' paper with student, Suzanne Smith.
- 2005 Presentation to Philamore Ethics Reading Group.
- 2003-2004 Member of leadership group for interdisciplinary inter-species neural chimerism project.

SELECTED SERVICE ACTIVITIES

- 2015-present Manage SEPP Curriculum Development Grants.
- 2015-2016 College of Arts & Sciences Steering Committee.
- 2015-2016 Secretary: College of Arts & Sciences Senate.
- 2014-2016 College of Arts & Sciences Senator.
- 2014 Interim Chair: University of Delaware, Human Subjects Review Board.
- 2011 & 2015 Chair: Dept. of Philosophy Search Committee.
- 2008-present Science Ethics and Public Policy Research Group coordinator.
Other SEPP planning and programming work.
- 2008-2010 Member of the ethics and policy group on multi-institution CTSA (Clinical and Translational Science Award) application.
- 2007-2012 Philosophy Department newsletter editor.
- 2007-2009 Philosophy Department advisory committee.
- 2007-2010 Coordinator: Philamore Ethics Reading Group.

2006-2012 Undergraduate Philosophy Club faculty advisor.

2005-present Faculty advisor to University of Delaware Medical Humanities Minor.

2005-present Premedical Education Advisory Council member.

2005-2016 University of Delaware, Philosophy Department webmeister.

2005-present Public speaking, guest lectures, and educational outreach.

2014 Interim Chair, University of Delaware, Human Subjects Review Board.

2004-2014 University of Delaware, Human Subjects Review Board.

2004-2012 University of Delaware, Philosophy Department library liaison.

2003-present Review of manuscripts for journals and for academic publishers.

2003-2008 Core faculty in Interdisciplinary Ethics Program, later the program in Science Ethics and Public Policy.

2010-2011 Search Committee.

2010 Invited to testify on the ethics of human / non-human mixtures at a public hearing and a working group meeting of the Deutscher Ethikrat, Berlin. The Ethikrat promotes public debate and advises the German government on ethical aspects of biotechnology.

2010 Interview with Kings College London researcher about human non-human mixtures (focuses on the *Science* paper on interspecies neural grafting).

2010 Comment on Ethics textbook proposal for OUP.

2010 Comment on student paper (Tara Rhoades) for journal publication.

2009 Instrumental Reasoning event at UD featuring John Broome, Michael Bratman, and Kieran Setiya (invitations, room bookings, venue, secure funding, etc. etc.)

2009 Submit evidence in response to The Academy of Medical Sciences (UK) call for evidence on Animals Containing Human Material

2009 Teach class of PHIL304 on distributive justice.

2009 Panelist for UD healthcare forum.

2009 Talk for UD Area Studies, "What's not to like about universal healthcare?"

2009 RAISE III grant submission.

2009 Help 9th grade teacher in UK with class on Mobley case.

2009 Represent SEPP at UPenn Conflict of Interest forum.

2008-2009 Keynote speaker invitations and other work for *Environment and Intergenerational Justice* conference at UD.

2008 Review manuscript for *Erkenntnis*.

2008 Talk to UD Medical Scholars.

2008 Consult DNREC on ethical aspects of DE carbon emissions policy.

2008 *Philosophy Talk*. Logistics and programming for Ken Taylor and John Perry radio show hosted at UD.

2008 White paper on SEPP ethics of science and technology research.

2007 Co-organizer *Environment, Energy, Ethics* international conference.

2007 Plan and execute Research Ethics Workshop for UD undergrad researchers (with David Silver).

2007 Consult for Elizabeth Peloso re research ethics program.

2007 Textbook review for Wadsworth.

2007 Review Vaughn ethics text for Norton & Co.

2007 Talk to AI DuPont, Neamours Childrens' Hospital.

2007 Review manuscript for *Theoretical Medicine & Bioethics*.

2007 Interview & written background for student reporting on uterine transplantation.

2007 Conduct a freshman seminar.

2006-2007 Work on NSF grant application for graduate research ethics training.

2006 Comment for *Sunday Times* (UK) on transgenic animals.

2006 Host a freshman seminar at U Penn Department of Philosophy.

2006 Review proposed textbook for Wadsworth.

2006 Consult re ethical angle of research project in Urban Affairs and Public Policy.

2006 Consult re ethics in new quantitative biology major.

2006 Plan and execute Research Ethics Workshop for UD undergrad researchers (with David Silver).

2006 & 2009 Talk about my research to Philosophy Club

2006 Festival of Words – Talk with middle schoolers about cloning, UD.

2005 Enlist cell biologists (Gearhart & Donovan) for DBI steering committee.

2005 Talk to UD undergrads re philosophy and philosophy major.
 2005 Advice and brainstorming meeting for Disabilities Minor.
 2005 Guest lecture for Multidisciplinary Biotechnology class.
 2005 Correspondence with UD alumna re stem cell research.
 2005 Review medical ethics book proposal for OUP.
 2005 Interviews relating to publication of the Interspecies Neural Grafting paper published in *Science*...
 Press: UDaily, Baltimore Sun, Med News.
 Radio: Interview with Alex Chadwick on NPR's 'Day to Day' (July 15th).
 2005 Lunchtime talk to Thomas Medical Products.
 2005 Guest lecture for "Biotechnology: Science and Socioeconomic Issues."
 2005 Host prospective UD students and families.
 2004 Talk with Victor Greto, Delaware News Journal, re conflicts of interest and intellectual property.
 2004 Stem cell pundit on WHYY-TV's Delaware Tonight – Friday Forum.
 2004 Keynote address for Students as Teachers: Problem Based Learning awards dinner, Thomas Jefferson University
 2004 Work with David Weir on critique of proposed amendment to Delaware senate bill 55. (Result – bill shelved, lawyer re-assigned.)
 2004 Genetics, identity and privacy module for Delaware high school biology teachers' in service day, Delaware Biotechnology Institute.
 2004 Guest lecture for undergraduate genetics class, University of Delaware.
 2003 Review paper for American Journal of Bioethics
 2003-2005 Working group on policy and ethical issues in human-animal chimerism research, Johns Hopkins.
 2002-2004 Working group on policy and ethical issues in stem-cell research and therapy, Johns Hopkins.
 2002-2005 Core group on policy and ethical issues in cell engineering technology, Johns Hopkins.
 2000-2001 Coordinator: Graduate student mentor program.
 2000 Graduate representative: Graduate admissions committee.
 1998 Co-organizer of Berkeley Stanford Graduate Conference.
 1997-1998 President: Stanford Graduate Philosophy Society.
 1994-1996 Established and coordinated Philosophy Graduate Research Seminars.
